## Appendix II

### 2024 10<sup>th</sup> CCC Thanksgiving Ping-Pong Tournament Rules (Teams)

#### I. General Rules

1. Due to time limits, CCC reserves the right to change the rules of the tournament after consultation with all teams!
2. Before each team-match, a team's leader should choose three players and submit their order (1st, 2nd, 3rd, 4th, 5th) to the umpire in writing, without yet having seen the opposing team's list.
3. The first team to win 3 matches out of 5 is the overall winner. Doubles matches should allow each player to play twice in the following match sequence:
4. Match 1: A-X; Match 2: B-Y; Match 3: C+B - Z+X; Match 4: A-Y; Match 5: C-Z.
5. In all stages (from group stage to final stage), each match is played best-2-of-3 games.
6. For each game, the first player to reach 11 points wins that game; however, a game must be won by at least a two-point margin.
7. In each team-match, the winning team earns 2 tournament points, and the losing team earns 0 tournament points. If there are 3 teams in the same category that earn the same number of tournament points, then the places (1st, 2nd, 3rd) of those 3 winning teams will be determined based on the ratio of games won to games lost, and, if that ratio is a tie, then the ratio of points won to points lost for all teams.
8. If a player serves without having already announced the score (and without an umpire having already announced it), the receiver has the right to cancel that serve if s/he didn't make an attempt to return it.

#### II. Detailed Rules for Tied Scores

1. For a 2-team tie, the team that won the match between the two is ranked higher.
2. For a tie of more than two teams, the ratio of number of matches won to matches lost is calculated for all tied teams. The team with the higher ratio is ranked higher.
3. In case the above ratio is the same, then the ratio of number of games won to games lost is calculated. Again, the team with the better ratio is ranked higher.
4. In case the above ratio is the same, then the ratio of number of points won to points lost is calculated. Again, the team with the better ratio is ranked higher.
5. If all of those ratios come out to be the same, a random coin toss decides who is ranked higher.

#### III. Limitation of Liability and Disclaimer of Warranties

1. By entering the tournament, each participant agrees to grant CCC the right to publicize his or her name and photos, including the use and appearance of his or her photos on CCC's website and other social media. Furthermore, participants agree to allow these photographs and names to be used for other future promotional purposes without compensation.
2. CCC is not responsible for any physical injury or damage or loss of your personal belongings as a result of your participation.
3. CCC reserves the right to have the final say on all of the event logistics and rules for the tournament.
